The International Women's Association Namibia (IWAN) raised N\$1 800 at a used clothing sale held on the premises of the Jakob Marengo Secondary School in Katutura. Funds raised at the event will support the Resource Centre, an after-school program for 25 primary-school age children held at

Jakob Marengo School. Purchasers of the clothing benefitted as well, since most items were priced at just N\$5 or N\$10. The Resource Centre provides early childhood development, support of primary education, and guidance in life skills for children between the ages of 4 and 14.
