WOMEN'S ADVANCEMENT TRAINING / INVESTMENT FUND (WAT/IF) APPLICATION

The IWAN's Women's Advancement Training/ Investment Fund (WAT/IF) exists to assist female Namibian entrepreneurs and students who require small loans to start their businesses or to complete educational or vocational goals. **WAT/IF requires applicants to provide matching funds to show their commitment towards meeting their financial and/or educational objectives**. In other words, if you are seeking NAD5000, you must be able to contribute NAD5000. Applicants must complete this form, answering all questions to the best of their ability. **Completed applications should be sent to info@iwan.com.na – please write legibly**

APPLICANT CONTACT INFORMATION

Name and age: _____

City: _____

Cell: _____

Email: _____

Tell us about your investment/business opportunity or your educational/vocational program for which you are requesting monetary assistance. Include examples of how you are going to produce your goods or provide your service, and how these funds will assist you with your business. If you are applying for an educational, vocational, or degree program, explain how this course/certification/degree will further you along with your educational goals and how this course will help you in your life in the future.

Please also explain how you heard about the WATIF grant:

_____

_____

_____

IWAN is dedicated to helping women empower themselves. Part of this process involves applicants providing matching funds for their businesses or their education. For example, if you are looking for assistance in paying school fees, you must show you have already made some payment toward the fees. If you are looking for assistance for your business, you can show your contribution. For example, you wish to purchase a fridge to store your goods, you have paid GAME 50% and WATIF will pay the remaining 50%.

Check here to indicate you understand you must contribute 50% of the funds you are requesting. ____
Before funds are released, you are required to show proof of your contribution. This can be school fee payment or receipts from stores/suppliers for equipment/services for your business.
